

La elegancia como sublimación del buen gusto, fruto del equilibrio entre el diseño de los materiales nobles y los acabados más sofisticados. Los cánones clásicos se alían con la estética actual dando como resultado colecciones exquisitas de esplendor puro y etéreo pero de mirada cosmopolita y selectiva. Un universo que ensambla las sensaciones del mármol pero con las elevadas prestaciones del gres porcelánico.

Elegance as the epitome of good taste, the result of a perfect balance between the design of fine materials and the most sophisticated finishes. Classic principles partner with today's aesthetics to provide exquisite collections of pure ethereal splendour but with a cosmopolitan, select touch. A universe that blends the sensations of marble with the high performance of porcelain gres.

L'élégance en tant que sublimation du bon goût, fruit de l'équilibre entre le design des matériaux nobles et les finitions les plus sophistiquées. Les canons classiques sont conjugués avec l'esthétique actuelle en donnant naissance à d'exquises collections d'une splendeur pure et éthérée à la fois cosmopolite et sélective. Un univers qui offre les sensations du marbre mais avec les prestations optimales du grès cérame.
