

GLACIER

GLACIER emulates white quartz in exclusive, highly original fashion. It stands out particularly for its grey veins on a white background, rather like tears in a canvas. The veins narrow and broaden out again across the whole surface, forming lovely crisscrossing paths, conceived to lend surfaces a great personality and balance.

The collection comes in a Natural or Polished finish in three formats: 75,5x151 cm, 60x120 cm and 90x90 cm.

GLACIER presenta una 'cuarcita blanca' con carácter distinguido y singular. Destaca principalmente por sus venaturas grises sobre fondo blanco como si de roturas se tratara. Sus vetas se amplían y se estrechan a lo largo de toda la superficie formando preciosos caminos entrelazados, lo que confiere a los espacios una gran personalidad y equilibrio.

Esta colección está disponible en acabado Natural y Pulido, y en tres formatos: 75,5x151 cm, 60x120 cm y 90x90 cm.
