La colección STREET traslada las texturas cementosas con las ventajas del porcelánico.

Destaca por la variedad y riqueza gráfica de las piezas que dan lugar a amplias superficies de extraordinaria resistencia.

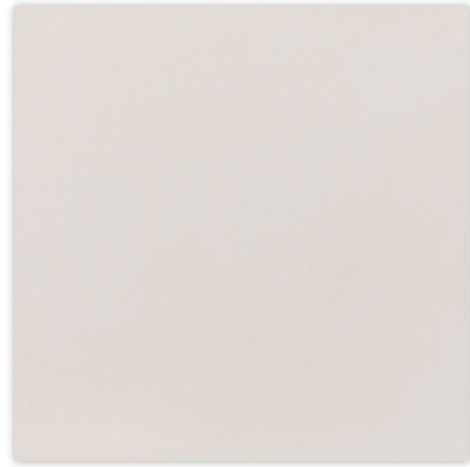

The STREET line copies cement textures with the advantages of the porcelain tile.

It stands out for the variety and graphic richness of the pieces that lead to large surfaces with extraordinary resistance.

La collection STREET allie les textures de ciment aux avantages du grès cérame.

Elle se distingue par la variété et la richesse graphique des éléments, en mesure de créer de vastes surfaces extraordinairement résistantes.
