

MARMOCHIC

Die Faszination der klassischen Moderne

Strukturen und Farben, die den wertvollsten Marmorbelägen gleichen – in einer Vielfalt, wie nur die Natur sie bietet. Das ansprechend authentische Wand- und Bodenkonzzept MARMOCHIC erinnert an den Glanz alter venezianischer Palazzos – und entwirft gleichzeitig das Bild eines in die Zukunft gerichteten europäischen Stils.

Mit dem besonderen Gefühl für Farben und Formen sind altbewährte Elemente mit einem naturalistischen Oberflächendesign kombiniert – eine vollendet klassische Anmut mit puristischem Charme.

The glamour of classic modernity

Structures and colours with all the sophistication of premium marble coverings – with the natural world's incomparable complexity. The attractive, authentic MARMOCHIC wall and floor concept evokes the lustre of ancient Venetian palazzos and an image of futuristic European style.

With a unique sensitivity for colour and form, the range combines time-tested elements and a natural surface design to create a graceful, classic appearance full of minimalist charm.
